**DETAILED ACTION**

***Election/Restrictions***

1. As applicant's election was made without traverse and the requirement has been made final, the search will not be expanded after first action.

***Claim Rejections - 35 USC § 103***

2. Claims 1-3 and 43-45 are rejected under 35 U.S.C. 103(a) as being unpatentable over Highsmith et al. US 6,362,311 B1 in view of Day et al., US 4,916,206 and Wood et al., US 6,074,581 for the reasons of record in the previous office action.
3. Applicant's arguments regarding the availability of the Highsmith reference are well taken, but the priority date of the Highsmith reference makes it available prior art under the "first to invent" rule.
4. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of

the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
